Column 7 (Calling or occupation). — The entry should describe as accurately as possible the occupation, trade, or profession of each alien over 14 years of age, whether skilled, partly skilled, or unskilled, such as "laborer," "farmer," "servant," "tailor," "seamstress," "shoemaker," "clerk," "bookkeeper," "stenographer," "baker," "barber," "engineer," "physician," "surgeon," "clergyman," "author," "actor," "musician," "lawyer," "teacher," "nurse," "typist," "bookbinder," "butcher," "miller," "painter," "upholsterer," "weaver," "confectioner," "cabinetmaker," "locksmith," "gunsmith," "goldsmith," "silversmith," "machinist," "mason," "plasterer," "plumber," "printer," "pressman," "electrician," "mechanical engineer," "mining engineer," "civil engineer," "draftsman," "saddler," "tailoress," "milliner," "dressmaker," "housekeeper," "servant girl," "cook," "waiter," "waitress," etc., and not "laborer" unless no other occupation is stated.

A distinction should be made between farmers and farm laborers, regardless of the amount of money they have.

A person who operates a farm, either for himself or for others, is a farmer.

A person who operates a farm and works on the farm is a farmer and laborer.

A person who works on a farm for others for wages is a farm laborer.

A person who owns a farm and operates it by hired labor should be entered as a farmer.

AFFIDAVIT OF THE MASTER OR COMMANDING OFFICER, OR FIRST OR SECOND OFFICER

I, W Brearley, (State whether Master, First or Second Officer) of the SANTA LUISA, from ANTOFAGASTA, do solemnly, sincerely, and truly SWEAR that I have caused the surgeon of said vessel sailing therewith, or the surgeon employed by the owners thereof, to make a physical and mental examination of each and all of the aliens named in the foregoing Lists or Manifest Sheets, 2/ in number, and that from the report of said surgeon and from my own investigation, I believe that no one of said aliens is of any of the classes excluded from admission into the United States by section three of the Immigration Act, and that also, according to the best of my knowledge and belief, the information in said Lists or Manifests concerning each of said aliens named therein is correct and true in every respect.

INSTRUCTIONS FOR FILLING ALIEN MANIFESTS

Separate sheets should be prepared for each port at which passengers embark.

Column 2. *Head tax status.*—Steamship lines should make no entries in this column. The question is for use of immigrant officials only.

Column 4. *Age.*—The answer in this column should be expressed in years or months, but letters [illegible] to "Sons" under 1 year of age.

Column 5. *Sex.*—The entry should be either M (male) or F (female).

Column 6. *Married or single.*—The answer should be M (married), S (single), Wd (widow), or D (divorced).

Column 7. *Calling or occupation.*—The entry should describe as accurately as possible the actual occupation of each person aged 10 or more, as for example: Clerk, engineer, sales agent, steward, housewife, nurse, laborer, farmer, farm laborer, servant girl, tailor, tailoress, carpenter, painter, mother, farmer, or other individual description.

No "general" should be made between farmers and farm laborers, regardless of the amount of money owned by former.

A farmer is one who operates a farm, either for himself or for another.

A farm laborer is one who works on a farm for the man who operates it.

A farmer or any person who owns a farm should make that fact clear on the manifest, as [illegible] should be made between farmers and laborers, distinguishing the personal characteristics of every person.

Column 8. *Can he read and write.*—This column should be ruled and each of the following questions answered: Can he read? Can he write? If an immigrant can read but can not write the fact should be noted. If alien is unable to read and write he should be questioned as to his ability to speak and write his own language, and the result of such examination should be shown.

Column 9. *Nationality.*—Question 9 should be construed to mean the country of which a person is a native or citizen.

Column 10. *Race or people.*—See list of races printed on back of this sheet. The entry should show the race or people as given in said list.

Special attention should be paid to the distinction between race and the country of which a person is a native, country of last permanent residence and country of birth, and inquiries should be constantly made to elicit information on these points. For instance, a native of Germany, naturalized in the United States, returning temporarily to his native country, should be described as a German, and not as an American. A native of Turkey of Hebrew race should be described as a Hebrew, and not as a Turk. A native of Scotland of Irish race should be described as Irish, and not as Scotch. A native of Wales should be described as Welsh, and not as English. A native of Ireland, Scotch-Irish, or any other country. In this connection the following instructions should be especially observed:

CUBAN.

The term "Cuban" refers to the Cuban people, not "Negroes."

WEST INDIAN.

"West Indian" refers to the people of the West Indies, other than Cuban, Haitian or Negroes.

SPANISH AMERICAN.

"Spanish American" refers to the people of Central and South America of Spanish descent.

AFRICAN (BLACK).

"African (Black)" refers to the African Negro who does not come from Cuba or other islands of the West Indies, South or Central America, Europe or Africa. Any alien with primary color or blood of the African Negro should be classified under this heading.

ITALIAN (NORTH).

The people who are native to the basin of the River Po in northern Italy (i. e., compartments of Piedmont, Lombardy, Venetia, and Liguria, and their descendants, whether residing in Italy, Switzerland, Austria-Hungary, or any other countries, should be classed as "Italian (north)." Most of these people speak a Gallic dialect of the Italian language.

ITALIAN (SOUTH).

The people who are native to that portion of Italy south of the basin of the River Po (i. e., compartments of Tuscany, the Marches, Umbria, Rome, the Abruzzi and Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia) and their descendants should be classed as "Italian (south)."

Column 11. *Last permanent residence.*—Actual or an intended residence of one year shall constitute permanent residence. The last country in which alien resided with the intention of remaining one year or more shall be the last permanent residence regardless of intended actual residence thereon. The entries in column 11 should show the country and city or town of last permanent residence. It is important for statistical purposes that steamship companies accurately show country of last permanent residence independent of country of temporary residence, country of birth, nationality, or race.

Country of last permanent residence of aliens who are permanent residents of the United States and are returning from a visit abroad should be recorded "United States."

Column 12. *Name and complete address of person in country he came from to whom alien was joined.*—The entry should give name and address of such relative. If no such relative living, give name and address of friend.

Column 13. *Final destination.*—The answer to the question shall show the intended future permanent residence. An intended residence of one year shall constitute permanent residence. The entry should show definitely the place (city or town) of intended future permanent residence, if within the United States; country, if outside the United States.

Column 15. *Whether having a ticket to such final destination.*—The answer should be either Yes or No (no ticket).

Column 16. *By whom was passage paid.*—The entry should show definitely by whom passage was paid, as self, husband, father, brother, or other relative, friend, steamship company, etc.

Column 17. *Whether in possession of $50, and by whom.*—The answer should give in each case individual or family (the exact amount of money shown). Money brought by the head of a family should not be divided among the several members of the family.

Column 18. *Whether ever in the United States, and if so, when and where.*—The entries should show whether or not (Yes or No) in the United States before, and if so, the year or period of years and place, as, 1894, 1895, Philadelphia.

Column 19. *Whether going to join relatives or friends, and if so, what relatives or friends.*—The answer should show whether going to join (name) relative or friend, and if so, what relative or friend, with name and complete address.

Columns 20 to 33.—These questions are self-explanatory and the answers, like all others on the sheet, are subject to revision by inspection officers in the examination of aliens. However, in answering question 29, if alien has been deported within one year and the Secretary of Labor has authorized him to reapply for admission, the authority for such reapplication should be given.

AFFIDAVIT OF SURGEON

I, George P. Morris, Surgeon of the SANTA LUISA, do solemnly, sincerely, and truly SWEAR that I have had 35 years' experience as a Physician and Surgeon, and that I am entitled to practice as such by and under the authority of State of New York, and that I have made a personal examination of each of the aliens named herein, and that the foregoing Lists or Manifest Sheets, — 7 — in number, according to the best of my knowledge and belief, are full, correct, and true in all particulars, relative to the mental and physical condition of such aliens.

INSTRUCTIONS FOR FILLING ALIEN MANIFESTS

Separate sheets should be prepared for each port at which passengers embark.

Columns 2 (*Head tax status*).—Steamship lines should make no entries in this column. The space is for use of Government officials only.

Column 4 (*Age*).—The answer in this column should be expressed in years by months, the latter applying only to those under 1 year of age.

Column 5 (*Sex*).—The entry should be either M (male) or F (female).

Column 6 (*Married or single*).—The answer should be M (married), S (single), Wd (widowed), or D (divorced).

Column 7 (*Calling or occupation*).—The entry should describe as accurately as possible the occupation, trade, or profession of each alien, as, for example, Civil engineer, stationary engineer, laborer, mason, engineer, farmer, compositor, brass polisher, steel polisher, iron molder, wood turner, etc. "Tool not otherwise specified," "machine," "engine," "driver," or other such terms are insufficient.

No "gentlemen" should be made between farmers and farm laborers, nevertheless if the amount of money shown is as follows:

A person is one who operates a farm, either for himself or for others.

A farm laborer is one who works on a farm for the man who operates it.

Immigration officers should make this distinction on the manifests, and corrections should be made if necessary, but they are not required to delay the passengers during the press and examination of alien arrivals.

Column 8 (*Able to read and write*).—This column is subdivided and requires the following question: "Can read what language?" If, in answering this question, alien says "Hebrew," "Russian," "Arabic," or "Greek," the alien is able to read and should be so marked. If alien is unable to read and claims exemption from the reading requirement, the ground for such exemption should be given.

Column 9 (*Nationality*).—Question 9 should be construed to mean the country of which alien is a citizen or subject.

Column 10 (*Race or people*).—See list of races printed on back of this sheet. The entry should show the race or people as given in said list.

Race and nationality should be paid to the distinction between race and the country of which the person is a subject or citizen. Country of last permanent residence and country of birth, and nationality should be carefully considered. Persons born in Germany, Russia, Turkey in Asia, etc., frequently claim to be Hebrews under the head of race or people. They may be Hebrews by religious faith, but not by race or people. Persons born in Ireland frequently claim under the heading of England, Scotland, or any other country. In this connection the following directions should be especially observed:

CUBAN

The term "Cuban" refers to the Cuban people and not Negroes.

WEST INDIAN

"West Indian" refers to the people of the West Indies other than either Cubans or Negroes.

SPANISH AMERICAN

"Spanish American" refers to the people of Central and South America and of Spanish descent.

AFRICAN (BLACK)

"African (black)" refers to the African Negro, whether coming from Cuba or other islands of the West Indies, South or South America, Europe, or Africa. All alien with admixture of blood of the African Negro should be classified under this heading.

ITALIAN (NORTH)

The people who are native to that portion of Italy in the basin of the River Po (i. e., compartments of Piedmont, Lombardia, Venetia, and Emilia) and those descended in Italy, Switzerland, America, Germany, or any other country, should be classed as "Italian (north)." Most of these people speak a Gallic dialect of the Italian language.

ITALIAN (SOUTH)

The people who are native to that portion of Italy south of the basin of the River Po (i. e., compartments of Liguria, Tuscany, the Marches, Umbria, Rome, The Abruzzi and Molise, Campania, Apulia, Lucania, and the Sicily and Sardinia, and their descendants should be classed as "Italian (south)."

Column 11 (*Last permanent residence*).—A final or an intended residence of one year shall constitute permanent residence. The last country in which alien resided with the intention of remaining one year is to be shown as last permanent residence. It is important for registry purposes that steamship companies accurately show country of last permanent residence independent of country of temporary residence, country of "little sojourn," or race.

Countries of last permanent residence of aliens who are permanent residents of the United States and are returning to it should be stated "United States."

Column 12 (*Name and complete address of nearest relative or friend in country whence alien came*).—The entries should show name and address of such relative. If no such relative living, give name and address of friend.

Column 13 (*Final destination*).—The answer to this question should show the intended future permanent residence. An intended residence of one year should constitute permanent residence. The entry should show definitely the place, city, or town of intended future permanent residence in the United States, country, or colonies that United States.

Column 14 (*Whether having a ticket through from point of departure*).—The answer will be either Yes (ticket) or No (no ticket).

Column 16 (*By whom was passage paid*).—The entry should show definitely by whom passage was paid, as self, husband, father, mother, friend, or other person, friend steamship company, etc.

Column 17 (*Whether in possession of $50 and if less how much*).—The answer should given in each case individual or family. The exact amount of money shown. Money brought by the head of a family should not be divided also for the several members of the family.

Columns 18 (*Whether ever before in the United States and if so, when and where*).—The entries should show whether or not (Yes or No) in the United States before, and if so, the year or period of years and place, as 1901 Philadelphia.

Column 19 (*Whether going to join relatives or friend, and if so, what relatives or friends*).—The answer should show whether going to join father, brother, friend, and if so, what relative or friend, with name and complete address.

Columns 20 to 32.—These questions are self-explanatory, and the answers, like all others on the sheet, are subject to revision by the person otherwise in the examination of aliens. However, in answering question 26, if alien has been excluded within one year and the secretary of labor has authorized him to reapply for admission, the testimony for such reapplication should be given.

INSTRUCTIONS FOR FILLING ALIEN MANIFESTS

Separate sheets should be prepared for each port at which passengers embark.

Column 2 (*Head for status*).—Steamship lines should make no entries in this column. The space is for use of Government officials only.

Column 3 (*Name*).—The surname in this column should be expressed in capitals, the Christian name (or initial) in lower case letters, thus: SMITH, John.

Column 4 (*Age*).—The entry should be either M (male) or F (female).

Column 5 (*Married or single*).—The answer should be M (married), S (single), W (widowed), or D (Divorced).

Column 7 (*Calling or occupation*).—The entry should describe as accurately as possible the occupation, trade, or profession of each alien, as, for example, "coal miner," "iron worker," "engineer," "farmer," "servant," "clerk," "cook," "tailor," "tailoress," "dressmaker," "milliner," "merchant," "peddler," "laborer," "without occupation," "none," "wife," "child," etc. "Laborer" should not be used indiscriminately.

A "laborer" should be made distinct from a farmer, and from a laborer, "without occupation," or "none," as follows:

A laborer is one who performs a farm, either for himself or for others.

A laborer without occupation is one who performs no labor for the benefit of his employer.

A laborer for a corporation should state the character of the employment, as if a coal mine laborer he should be described as a "coal miner," if a railroad laborer as a "railroad laborer," etc.

Column 8.—"Yes" or "no" must be entered in this column to show whether the alien can read or not. A person can read who can read any part of any book, newspaper, or other publication printed in any alphabet or language.

Column 9.—"Yes" or "no" must be entered in this column to show whether the alien can write or not. A person can write who can write his own name or any part of any sentence.

Column 10 (*Last permanent residence*).—The answer should be expressed in full, giving the name of the country, province, city, town, or village of last permanent residence. If within the United States, state the State, city, or town.

Column 11 (*Final destination*).—The answer should be expressed in full, giving the name of the country, province, city, town, or village of intended future permanent residence. If within the United States, state the State, city, or town.

Column 12 (*Whether going to join relative, and name and complete address of such relative*).—The answer should be either Yes (written Y) or No (written N).

Column 13 (*Whether ever before in the United States, and if so, when and where*).—The entry should show definitely the year, city or town, and State where last admitted, and whether previously or not.

Column 14 (*Whether in possession of $50, and if less, how much*).—The amount should be given in each case, even if it be more than $50. The word "money" includes drafts. Money belonging to the head of a family should not be included among the amounts in possession of the family.

Column 15 (*Whether ever in prison or almshouse, and if so, when and where*).—The entry should show definitely the year, city or town, and State where last, and whether previously or not.

Column 16 (*Whether a polygamist*).—The answer should be "Yes" or "No."

Column 17 (*Whether an anarchist*).—The answer should be "Yes" or "No."

Column 18 (*Whether coming pursuant to prior solicitation or ticket, and if so, what relation or friend*).—The answer should show whether anyone paid for the person's ticket or transportation, and if so, what relation or friend; such person's name and complete address.

Columns 19 to 22.—These questions are self-explanatory, and the answer, like all others on the sheet, are subject to revision by the inspector officers to whom the manifests are given. However, in answering question 20, if aliens have been deported within one year and the Secretary of Labor has authorized him to reapply for admission, the authority for such reapplication should be given.

RACIAL GROUPS.

The people who are native to the basin of the River Po in northern Italy or to the compartments of Piedmont, Lombardy, Venetia, and Liguria, and their descendants, whether residing on Italy's western coast, Austria-Hungary, or any other country, should be classed as "Italian (north)." Most of these [illegible] speak a Gallic dialect. They [illegible] Italian language.

ITALIAN (SOUTH).

The people who are native to that part of Italy south of the basin of the River Po, i.e., compartments of Liguria, Tuscany, the Marches, Umbria, Rome, the Abruzzi and Molise, Campania, Apulia, Lucania and Calabria, Sicily, and Sardinia, and their descendants should be classed as "Italian (south)."

Column 11 (*Last permanent residence*).—Would to an intended residence at one place should constitute permanent residence. The last country in which a person resided MUST be entered as country of last permanent residence, even though such residence may have been of short duration. Thus, a person coming from Paris, France, to the United States, who had resided in London, England, for a number of years, but who had gone to Paris on a visit of short duration, should state that France was the country of last permanent residence. It is important to remember in this connection that the immigration officials constantly show a tendency to refuse admission to persons who, according to their own statements, have resided in countries other than their own for long periods of time, particularly in cases of Hebrews, Armenians, Greeks, Syrians, and natives of Turkey, or races.

Citizens of last permanent residence of aliens who are permanent residents of the United States and are returning from a visit abroad should be recorded "United States."

Column 12 (*Name and complete address of person whom arriving alien intends to join*).—The entry should give name and address of such relative. If no such relative living, give name and address of friend.

Column 13 (*Final destination*).—The answer to this question should show the intended future permanent residence. An intention to reside for a few months in the United States does not constitute permanent residence. The entry should show definitely the place, city or town, of intended future permanent residence, if within the United States, country, if outside the United States.

Column 14 (*Whether going to join relative, friend, or other person, and if so, what relative or friend, and name and complete address of such relative or friend*).—The answer should be either Yes (written Y) or No (written N).

Column 15 (*Whether ever before in the United States, and if so, when and where*).—The entry should show definitely the year, city or town, and State where last admitted, and whether previously or not.

Column 16 (*Whether in possession of $50, and if less, how much*).—The amount should be given in each case, even if it be more than $50. The word "money" includes drafts. Money belonging to the head of a family should not be included among the amounts in possession of the family.

Column 17 (*Whether ever in prison or almshouse, and if so, when and where*).—The entry should show definitely the year, city or town, and State where last, and whether previously or not.

Column 18 (*Whether a polygamist*).—The answer should be "Yes" or "No."

Column 19 (*Whether an anarchist*).—The answer should be "Yes" or "No."

Column 20 (*Whether coming pursuant to prior solicitation or ticket, and if so, what relation or friend*).—The answer should show whether anyone paid for the person's ticket or transportation, and if so, what relation or friend; such person's name and complete address.

Columns 21 to 24.—These questions are self-explanatory, and the answer, like all others on the sheet, are subject to revision by inspector officers to whom the manifests are given. However, in answering question 22, if aliens have been deported within one year and the Secretary of Labor has authorized him to reapply for admission, the authority for such reapplication should be given.

"AFRICA (WEST)" refers to the African States, Liberia, Sierra Leone, and the islands of the West Indies. "Cape de Verde Islands," "Congo or Africa," "Any town with administrative head of the African region should be classed under this heading.

INSTRUCTIONS FOR FILLING ALIEN MANIFESTS

Separate sheets should be prepared for each port at which passengers embark.

ITALIAN (NORTH).

The people who are natives of the basin of the River Po in northern Italy (i. e., compartments of Piedmont, Lombardy, Venetia, and Emilia and their descendants, wherever residing in Italy, Switzerland, Austria-Hungary, or any country in Europe), should be classed as "Italian (North)." Most of these speak a Gallo-Italian[1] or Rhætian language.

ITALIAN (SOUTH).

The people who are natives of that portion of Italy south of the basin of the River Po (i. e., compartments of Liguria, Tuscany, the Marches, Umbria, Rome, the Abruzzi and Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia) and their descendants should be classed as "Italian (South)."

Column 11 (*Last permanent residence*).—Arrival or an intended residence of one year shall constitute permanent residence. The last country in which, when residing with the intention of remaining, one had his home is the country of last permanent residence, regardless of how often one may have visited another country. The colony in which he had resided for a month and city or town of last permanent residence. It is important for the purpose of ascertaining the number of immigrants from each country of last permanent residence that the answers to this question accurately show the country of last permanent residence of aliens who are permanent residents of the United States and not the country from which aliens who are permanent residents of the United States have recently arrived. The answer should be the name of a country, colony, or dependency. If no such permanent residence has been established, the answer should be "None." If alien is a resident of a town, give name of town and state or province (if any), and name of country.

Column 12 (*Destination*).—The purpose for which alien comes to the United States should be stated, as "To join husband," "To visit friends," "For business reasons," "For pleasure," "To attend school," etc.

Column 13 (*Final destination*).—The answer should show definitely by whom passage was paid, as "Self," "Husband," "Father," "Friend," etc., and the name and address of such person.

Column 14 (*Whether going to join a relative, and if so, what relative and what is his name and address*).—The answer should give in each case the name of relative, as "Father," "Mother," "Husband," "Wife," "Child," "Brother," "Sister," "Uncle," "Aunt," "Grandfather," "Grandmother," "Cousin," "Friend," etc., and the name and address of such relative in the United States.

Column 15 (*Whether in possession of $50 and if less, how much*).—The answer should give in each case the amount of money in the possession of the alien, whether it be $50 or more or less than $50.

Column 16 (*Whether ever before in the United States, and if so, when and where*).—The answer should show the number of years and the place in the United States where last admitted.

Column 17 (*Whether ever in prison, or almshouse, or supported by charitable institution, and if so, what and when*).—The answer should properly indicate whether the alien has been in prison or almshouse or supported by charity, and if so, what institution or institutions, when and for how long.

Columns 18 to 23.—These columns are to be self-explanatory and the answers, Yes or No, will suffice. Questions 18 to 21, inclusive, relate to the examination of aliens. However, in accordance with the provisions of the act approved March 3, 1903, the Secretary of Labor has authorized them to reapply for admission, the necessary former application should be given.

AFFIDAVIT OF SURGEON

I, _____, Surgeon of the _____, _____, do solemnly, sincerely, and truly _____ that I have had _____ years' experience as a Physician and Surgeon, and that I am entitled to practice as such by and under the authority of _____, and that I have made a personal examination of each of the aliens named herein, and that the foregoing Lists or Manifest Sheets, _____ in number, according to the best of my knowledge and belief, are full, correct, and true in all particulars, relative to the mental and physical condition of such aliens.

_____

Sworn to before me this _____ day of _____

Note.—The surgeon will mark (+) opposite the name of each alien who is certified by the medical officer at port of arrival, and any changes that may have occurred en route in the condition of such alien.

AFFIDAVIT OF THE MASTER OR COMMANDING OFFICER, OR FIRST OR SECOND OFFICER

I, John [illegible], Master (State whether Master, First, or Second Officer), of the THEMISTOCLES, from PIRAEUS, do solemnly, sincerely, and truly SWEAR that I have caused the surgeon of said vessel sailing therewith, or the surgeon employed by the owners thereof, to make a physical and mental examination of each and all of the aliens named in the foregoing Lists or Manifest Sheets. 10 in number, and that from the report of said surgeon and from my own investigation, I believe that no one of said aliens is of any of the classes excluded from admission into the United States by section three of the Immigration Act, and that also, according to the best of my knowledge and belief, the information in said Lists or Manifests concerning each of said aliens named therein is correct and true in every respect.

[illegible]
Master.

INSTRUCTIONS FOR FILLING ALIEN MANIFESTS

Separate sheets should be prepared for each port at which passengers embark.

[illegible]

CUBAN.

The term "Cuban" relates to the natives people of Negroes.

WEST INDIAN.

West Indians" refers to the people of the West Indies other than either Cubans or Negroes.

SOUTH AMERICAN.

"South American" refers to the people of central and South America of Spanish descent.

AFRICAN (NATIVE).

"African (native)" refers to the African races, but not to persons born in Cuba or other islands of the West Indies, Canada or South America, Europe or Asia. All persons of African descent, except those born in the United States, should be registered under this heading.

ITALIAN (NORTH).

The people who are native to that portion of Italy north of the basin of the River Po (i. e., compartments of Piedmont, Lombardy, Venetia, and Emilia, and their descendants, whether residing in Italy, Switzerland, Austria-Hungary, or any other countries, should be classed as "Italian (north)." Most of these people speak a Gallic dialect of the Italian language.

ITALIAN (SOUTH).

The people who are native to that portion of Italy south of the basin of the River Po (i. e., compartments of Liguria, Tuscany, the Marches, Umbria, Rome, the Abruzzi and Molise, Campania, Apulia, Lucania, Calabria, Sicily, and Sardinia) and their descendants should be classed as "Italian (south)."

Column 11. *Last permanent residence.* — Actual bona fide intended residence of one year should constitute permanent residence. The last country in which alien resided with the intent of remaining one year or more should be the final permanent residence classed, regardless of any future intentions. The entries in column 11 should show the country and city or town of last permanent residence. It is important for statistical purposes that passengers emigrating to foreign countries should show country of last permanent residence rather than country of temporary residence, country of birth, nationality, or race.

Country of last permanent residence of aliens who are permanent residents of the United States and are returning from a visit abroad should be recorded "United States."

Column 12. *Name and complete address of nearest relative or friend in country whence alien comes.* — The name and complete address of nearest relative. If no such relative or friend, give name and address of friend.

Column 13. *Final destination.* — The answer to this question should show the intended bona fide permanent residence. A visit not to exceed one year should constitute permanent residence. The answer should show definitely the place and city, if destined for a place in the United States, and should not be satisfied by the answer "New York" or other seaport. It should show the State, county, or township in the United States.

Column 14. *Whether having a ticket to final destination.* — The answer should be either Yes or No.

Column 15. *By whom was passage paid?* — The entry should show definitely by whom passage was paid, whether by himself, father, mother, or other relative, friend, steamship company, etc.

Column 16. *Whether in possession of $50 and if less how much?* — The answer should give in each case the exact amount of money shown. Money brought by the head of a family should be considered as part of the money belonging to each member of the family.

Column 17. *Whether ever before in the United States and if so, when and where.* — The entries should show whether or not the alien has been in the United States before, and if so, the year or period of years and place or places visited. Philadelphia.

Column 18. *Whether going to join relative or friend, and if so, what relative or friend?* — The answer should show whether going to join either a relative or friend, and if so, what relative or friend, with name and complete address.

Columns 20 to 33. — These questions are self-explanatory and the answers, like all others on the sheet, are subject to inquiry by inspectors in the examination of aliens. However, in answering question 27, if alien has been deported within one year and the Secretary of Labor has authorized him to reapply for admission, the authority for such reapplication should be given.

AFFIDAVIT OF THE MASTER OR COMMANDING OFFICER, OR FIRST OR SECOND OFFICER

I, John Constantis, Master (State whether Master, First, or Second Officer), of the ...MISTOCLES..., from PIRAEUS, do solemnly, sincerely, and truly SWEAR that I have caused the surgeon of said vessel sailing therewith, or the surgeon employed by the owners thereof, to make a physical and mental examination of each and all of the aliens named in the foregoing Lists or Manifest Sheets. 50 in number, and that from the report of said surgeon and from my own investigation, I believe that no one of said aliens is of any of the classes excluded from admission into the United States by section three of the Immigration Act, and that also, according to the best of my knowledge and belief, the information in said Lists or Manifests concerning each of said aliens named therein is correct and true in every respect.

INSTRUCTIONS FOR FILLING ALIEN MANIFESTS

Separate sheets should be prepared for each port at which passengers embark.

Columns 1 [*Line*]. [illegible] should make an entry in this column. The entry should be a consecutive number, beginning with 1 for the first alien on each manifest.

Columns 2 [*Name*]. The surname of the alien should be entered first, followed by the given name or names, the latter preferably in full rather than abbreviated, thus: Smith, John; not Smith, J. or Smith, J. John.

Columns 3 [*Age*]. The entry should be either Male or Female.

Columns 4 [*Married or single*]. The answer should be M (married) or S (single). The word widowed or divorced should be entered as married.

Columns 5 [*Calling or occupation*]. The entry should describe as exactly as possible what each alien has been accustomed to do for a livelihood in his native country, and not what he intends to do in the United States. Such terms as "laborer," "clerk," "servant," "student," "gentleman," "lady," and "none" are indefinite and unsatisfactory, and should not be used unless they are modified so as to show clearly the character of the occupation, thus: "laborer, farm"; "clerk, dry goods"; "servant, domestic"; "student, high school"; "gentleman, banker"; "lady, landowner"; "none, infant."

A person who has been employed at different occupations should be returned as following that one at which he was last employed for any considerable length of time.

Columns 6 [*Can read*]. The answer should be Yes or No, according to whether the alien can or can not read some language.

A person should be regarded as able to read if he can read his own language or any other language or dialect with which he is familiar. It is not necessary that he should be able to read English.

Columns 7 [*Can write*]. The answer should be Yes or No, according to whether the alien can or can not write a letter.

A person should be regarded as able to write if he can write a letter to his friends in his own language or any other language or dialect with which he is familiar. It is not necessary that he should be able to write English.

Columns 8 [*Can read and write*]. Question 8 should be answered in the affirmative only when the answers to both questions 6 and 7 are in the affirmative.

Columns 9 [*Height*]. The entry should be in feet and inches, thus: 5 ft. 6 in., 6 ft., etc.

Columns 10 [*Complexion*]. The entry should be light or dark, or fair or dark, or words of similar import.

Columns 11 [*Color of hair*]. The entry should be bald, black, brown, light, red, sandy, white, or words of similar import.

Columns 12 [*Color of eyes*]. The entry should be black, blue, brown, gray, green, hazel, or words of similar import.

Columns 13 [*Nationality*]. Question 13 should be answered so as to show the country of which the alien claims to be a citizen or subject. Such terms as "European," "Austrian," "Russian," "English," "British," "African," "Asiatic," "Chinese," "Japanese," "Polish," "Turkish," "Hebrew," "Scotch," "Irish," "Welsh," "German," or "Negro" are indefinite and unsatisfactory, and should not be used unless they are modified so as to show clearly the country of which the alien claims to be a citizen or subject, thus: "Russian Hebrew," "Irish Canadian," "Scotch Canadian," "German Hebrew," "Chinese Hebrew," "Japanese Hebrew," "Polish Russian," "Turkish Hebrew," "African (native)," "African (British)," "Negro (African native)," "Negro (United States)," "Negro (Haitian)," "Negro (Cuban)," "Negro (Jamaican)," "Negro (West Indian)," "Negro (Canadian)."

Columns 14 [*Race*]. The entry should be in accordance with the following classification: Anglo-Saxon, Bohemian, Bulgarian, Celtic, Croatian, Dalmatian, Dutch, East Indian, English, Finnish, French, German, Greek, Hebrew, Irish, Italian (North), Italian (South), Japanese, Korean, Lithuanian, Magyar, Mexican, Montenegrin, Pacific Islander, Polish, Portuguese, Roumanian, Russian, Ruthenian (Russniak), Scandinavian, Scotch, Servian, Slovak, Slovenian, Spanish, Spanish-American, Syrian, Turkish, Welsh, West Indian (except Cuban), Other Races.

The people who are native to the basin of the River Po in northern Italy (i. e., compartments of Piedmont, Liguria, Lombardy, Venetia, and Emilia, and their descendants, whether residing in Italy, Switzerland, America, Australia, or elsewhere) should be classed as "Italian (North)." Most of these persons speak a Gallic dialect of the Italian language.

ITALIAN (SOUTH).

The people who are native to that portion of Italy south of the basin of the River Po (i. e., compartments of Tuscany, Umbria, the Marches, Umbria, Rome (the Abruzzi and Molise), Campania, Apulia, Lucania, Calabria, Sicily, and Sardinia) and their descendants should be classed as "Italian (South)." Practically all persons speaking a Latin dialect should be classed as "Italian (South)."

Columns 15 [*Last permanent residence*]. A final or an intended residence of one year shall constitute a permanent residence. The last residence in which aliens resided with the intention of remaining one year or more should be the last permanent residence regardless of length of actual residence thereof. The entries in columns 15 should show the country and city or town of last permanent residence. It is important for statistical purposes that steamship companies accurately show country of last permanent residence made by each of its passengers, preferably country of birth, nationality, or race.

Columns 16 [*Name and complete address of person or persons in the United States whom alien intends to join*]. The name and address of such relative should be recorded. If no such relative living, give name and address of friend.

Columns 17 [*Final destination*]. The answer to this question should show the intended future permanent residence. A temporary residence is not sufficient. If one can show a definite permanent residence, the entry should show definitely the place (city or town) of intended future permanent residence, if within the United States, or country, if outside the United States.

Columns 18 [*Whether having a ticket to such final destination*]. The answer should be either Yes or No, or Yes or No and Don't Know.

Columns 19 [*By whom was passage paid*]. The entry should show definitely by whom passage was paid, as self, husband, father, brother, other relative, friend, steamship company, etc.

Columns 20 [*If in possession of $50, and if less, how much*]. The amount should give as much case as possession of money, the exact amount of money shown. Money brought by the head of a family should not be recorded against the several members of the family.

Columns 21 [*Whether ever before in the United States, and if so, when and where*]. The entries should show whether or not "Yes" or "No" in the United States before, and if so, the year or period of years and place, as "1903, New York," or "Philadelphia."

Columns 22 [*Whether going to join a relative or friend, and if so, what relative or friend*]. The answer should show whether going to join father, relative or friend, and if so, what relative or friend, with name and complete address.

Columns 23 to 32.—These questions are self-explanatory and the answers like all others in the case of aliens over 16 years of age to be given by responsible officers in the examination of aliens. However, in answering question 29, if alien has been deported within one year and the Secretary of labor has authorized him to reapply for admission, the authority for such reapplication should be given.

NEGRO.

The term "Negro" includes persons of African people and Negroes.

WEST INDIAN.

"West Indian" refers to the people of the West Indies other than either Cubans or Negroes.

SPANISH-AMERICAN.

"Spanish-American" refers to the people of Central and South America of Spanish descent.

AFRICAN (NATIVE).

"African (native)" includes the African Negro, whether coming from Africa direct or from the islands of the West Indies, Central America, Europe or America. Very many such aliens are of blood of the African Negro race, but are classified under this heading.

INSTRUCTIONS FOR FILLING ALIEN MANIFESTS

Separate sheets should be prepared for each port at which passengers embark.

Column 2. *Vessel's name.*—Steamship agent should make no entries in this column. The space for the name of the vessel will suffice.

Column 3. *Age.*—The answer in this column should be expressed in years or months, the latter if the person is under 1 year of age.

Column 4. *Sex.*—The answer should be either M. male, or F. female.

Column 5. *Married or single.*—The answer should be M. married, S. single, Wd. widowed, or D. divorced.

Column 7. *Calling or occupation.*—The entry should describe as accurately as possible the particular trade or profession which each alien actually is, for example, Civil engineer, stationary engineer, locomotive engineer, brass polisher, wood polisher, iron molder, wood turner, etc., and not merely laborer, engineer, molder, turner, or other indefinite designations.

A distinction should be made between farmers and farm laborers, regardless of the amount of money they have. as follows:

A farmer is one who operates a farm, either for himself or for others.

A farm laborer is one who works on a farm for the man who operates it.

Special attention should be paid to the correctness and completeness of this entry, as the answers to questions 31 to 34, inclusive, regarding the personal or racial traits of aliens generally, depend largely upon the correctness of the entry in this column.

Column 8. *Able to read and write.*—This column should be divided and contains the following questions:

Can read. What language. If a person can read any language, write "Yes" in answering this question. If unable to read any language, write "No."

Can write. Can he write (in any language)? If able to write, write "Yes." If unable to read and write, write "No."

Can write. Can he write (in any language)? If able to write, write "Yes." If unable to read and write, write "No."

Column 9. *Nationality.*—The answer to Column 9 should be construed to mean the country of which the alien is a citizen or subject.

Column 10. *Race or people.*—See list of races printed on back of this sheet. The entry should show the distinct people to which each alien belongs.

Special attention should be called to the distinction between race and the country of which a person is a citizen or subject. Persons of Jewish race frequently declare their nationality as Russian, German, English, etc., and persons of Irish race frequently declare their nationality as English. For instance, I assure appearing under the head of "English" may be of Irish race, and similarly, "French" appearing under the head of "Nationality" may be of Basque, Breton, Alsatian, or other race. An Irish, German, or Hebrew alien born in the United States, Ireland, Germany, or the Hebrew Fatherland, respectively, or any other country. In this connection the following classifications should be especially observed:

CUBAN

The term "Cuban" refers to the Cuban people (not Negroes).

WEST INDIAN

"West Indian" refers to the people of the West Indies other than either Cubans or Negroes.

CENTRAL AMERICAN

"Central American" refers to the people of Central and South America of Spanish descent.

AFRICAN (NEGRO)

"African (black)" refers to the African Negro or descendants coming from Cuba or other islands of the West Indies, Central or South America, Europe, or Africa. All aliens with admixture of blood of the African Negro should be classed as coming under this heading.

ITALIAN (NORTH)

The people who are native to the basin of the River Po in northern Italy (i. e., compartments of Piedmont, Lombardy, Venetia and Emilia) and their descendants, whether residing in Italy, Switzerland, Austria-Hungary, or any other country, should be classed as "Italian (north)." Most of these people speak a Gallic dialect of the Italian language.

ITALIAN (SOUTH)

The people who are natives of that portion of Italy south of the basin of the River Po (i. e., compartments of Liguria, Tuscany, the Marches, Umbria, Rome, the Abruzzi and Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia) and their descendants should be classed as "Italian (south)."

Column 11. *Last permanent residence.*—A legal or actual bona fide residence of one year shall constitute permanent residence. The last country in which alien resided with the intention of remaining one year or more shall be the last permanent residence regardless of length of actual residence thereon. The entries in column 11 should show the country and city or town of last permanent residence.

Country of last permanent residence of aliens who are permanent residents of the United States and are returning to a foreign place should be recorded "United States."

Column 12. *Name and complete address of nearest relative or friend in country whence alien came.*—The entry should give name and address of such relative. If no such relative living, give name and address of friend.

Column 13. *Final destination.*—The answer to this question should show the intended future permanent residence. An intended residence of one year shall constitute permanent residence. The entry should show the city, town, or place, of intended future permanent residence, if within the United States; country, if outside the United States.

Column 14. *Whether having ticket to such final destination.*—The answer should be either Yes or No.

Column 15. *By whose pas sage paid.*—The entry should show definitely by whom passage was paid. As if husband, father, mother, or other relative, friend, steamship company, etc.

Column 17. *Whether in possession of $50, and if less how much.*—The answer should give in each case the actual amount of money shown. Money brought by the head of a family should be listed separately from the several members of the family.

Column 18. *Whether ever before in the United States, and if so, when and where.*—The entries should show whether or not (Yes or No) in the United States before, and if so, the year (or period if years) and place, as 1903, New Brunswick.

Column 19. *Whether going to join relatives or friend, and if so, what relative or friend.*—The answer should show whether going to join either a relative or friend, and if so, what relative or friend, with name and complete address.

Columns 20 to 34.—These questions are self-explanatory, and the answers, like all others on the sheet, are subject to the inspection of the immigrant inspectors in the examination of aliens. However, in answering question 27, if alien has been in United States one year and the Secretary of Labor has authorized him to reapply for admission, the authority for such reapplication should be given.

The people who are native in the basin of the River Po in northern Italy (i. e., compartments of Piedmont, Lombardy, Venetia, and Emilia) and their descendants, whether residing in Italy, continental Latin America, Levantine, or any other country, should be classed as "Italian (north)." Most of these persons speak a Gallic dialect of the Italian language.

ITALIAN (SOUTH)

The people who are native in that portion of Italy south of the basin of the River Po (i. e., compartments of Liguria, Tuscany, the Marches, Umbria, Rome, the Abruzzi and Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia) and their descendants should be classed as "Italian (south)."

Column 11 (Last permanent residence.)—Actual or an intended residence of one year shall constitute permanent residence. The first country in which aliens complied with the intention of remaining one year or more shall be the last permanent residence, regardless of length of actual residence thereon. The entries in column 11 should show the country and city or town of last permanent residence. It is important for statistical purposes that unusual combinations demanded to show correctly of last permanent residence (such as residence of temporary residence, country of birth, nationality, or race).

Country of last permanent residence of aliens who are permanent residents of the United States and are returning from a visit abroad should be recorded "United States."

Column 12 (Name and complete address of relative or friend in country whence alien came.)—The entry should give name and address of such relative. If no such relative is living, give name and address of friend.

Column 13 (Final destination.)—The answer to this question should show the intended future permanent residence. An intended residence for more than two years in the United States shall constitute permanent residence. The entry should show the name of the city, town, or place in the United States where the alien intends ultimately to establish his permanent residence. If within the United States, complete address should be given.

Column 14 (Whether having ticket to such final destination.)—The answer should be either Yes or No.

Column 15 (By whom was passage paid.)—The entry should show definitely by whom passage was paid, as self, husband, father, brother, or other relative, friend, steamship company, etc.

Column 16 (If in possession of $50, and if less, how much.)—The answer should give in each case the exact amount of money shown. Money brought by the head of a family should not be included for the several members of the family.

Column 17 (If ever in the United States before, and if so, when and where.)—The entries should show whether or not (Yes or No) in the United States before, and if so, the year or period of years and place, as "1903, New York," or "Philadelphia."

Columns 20 to 27.—These questions are self-explanatory and the answers, like all others on the sheet are subject to review by the immigrant officers at the examination of aliens. However, in answering question 27, if alien has been deported within one year and the Secretary of Labor has authorized him to reapply for admission, the authority for such reapplication should be given.

AFFIDAVIT OF THE MASTER OR COMMANDING OFFICER, OR FIRST OR SECOND OFFICER

I, Jhon Goulandris, Master; of the THEMISTOCLES, from PIRAEUS, do solemnly, sincerely, and truly swear that I have caused the surgeon of said vessel sailing therewith, or the surgeon employed by the owners thereof, to make a physical and mental examination of each and all of the aliens named in the foregoing Lists or Manifest Sheets [illegible] in number, and that from the report of said surgeon and from my own investigation, I believe that no one of said aliens is of any of the classes excluded from admission into the United States by section three of the Immigration Act, and that also, according to the best of my knowledge and belief, the information in said Lists or Manifests concerning each of said aliens named therein is correct and true in every respect.

[illegible] Officer.

Sworn to before me this [illegible] day of [illegible], 19

[illegible] Immigration Officer.

INSTRUCTIONS FOR FILLING ALIEN MANIFESTS

Separate sheets should be prepared for each port at which passengers embark.

[illegible]

ITALIAN, NORTH.

The people who are native to the basin of the River Po in northern Italy (i. e., compartments of Piedmont, Lombardy, Venetia, and Emilia and their immediate vicinity, whether residing in Italy, Switzerland, Austria-Hungary, or any other country, should be classed as "Italian, north." Most of these persons speak a dialect called the Italian branches.

ITALIAN, SOUTH.

The people who are native to that portion of Italy south of the basin of the River Po (i. e., compartments of Liguria, Tuscany, the Marches, Umbria, Rome, the Abruzzi and Molise, Campania, Apulia, Lucania, Calabria, Sicily, and Sardinia) and their descendants should be classed as "Italian, south."

Column 11 (*Last permanent residence*).—A stand or an occupied residence of one year shall constitute permanent residence. The last country in which aliens resided with the intention of remaining one year is to be stated. The last permanent residence regardless of length of actual residence thereon. The answer is to be stated. If stated above the country and city or town of last permanent residence. It is important for statistical purposes that intending immigrants accurately show country of last permanent residence irrespective of country of allegiance, nationality, country of birth, nationality, or race.

Country of last permanent residence of aliens who are permanent residents of the United States and are returning from a visit abroad should be recorded "United States."

Column 12 (*Name and complete address of [illegible] to whom alien is going*).—The name and address of nearest relative or friend in country whence alien came. If no such relative living, give name and address of friend.

Column 13 (*Final destination*).—The answer to this question shall show the intended future permanent residence. An intended residence of one year shall constitute permanent residence. The entire United States, whether the alien is to remain permanently or temporarily, or only for a visit. If intended future permanent residence is within the United States, state definitely the State (or Territory) to which destined. The answer should be either Yes or Not known.

Column 14 (*Whether having a ticket to such final destination*).—The answer should be either Yes or Not known.

Column 15 (*Whether in possession of $50 and if not, how much*).—The entry should show definitely by whom passage was paid, as well. Husband having brought wife to unite friend, steamship company, etc.

Column 16 (*Whether in possession of $50 and if less than $50*).—The answer should give as such sum as is actually in the possession of the alien, even though it be more than $50. Money brought by the head of a family should be considered as money in possession of the members of his family.

Column 17 (*Whether ever before in the United States, and if so, when and where*).—This question should be asked of the several members of each family.

Column 18 (*Whether going to join relative or friend, and if so, what relative or friend, and name and complete address*).—The question as to whether going to join a relative or friend, and if so, what relative or friend, with name and complete address, is important.

Columns 19 to 22.—These questions are asked at the boundary and the answers like all others to the several questions are entered by immigration officers in the examination of aliens. However, in answering questions 20, if aliens have been deported with a one year and the Secretary of Labor has authorized them to reapply for admission, the authority for such reapplication should be given.

[illegible]

"African (black)" refers to the African Negro, whether coming from Cuba or other islands of the West Indies, South or South America, Europe, or Africa. Any alien with admixture of blood of the African Negro should be classified under this heading.

AFFIDAVIT OF SURGEON

I, [illegible], Surgeon of the THEMISTOCLES, [illegible], do solemnly, sincerely, and truly [illegible], that I have had [illegible] years' experience as a Physician and Surgeon, and that I am entitled to practice as such by and under the authority of [illegible], and that I have made a personal examination of each of the aliens named herein, and that the foregoing Lists or Manifest Sheets, [illegible] in number, according to the best of my knowledge and belief, are full, correct, and true in all particulars, relative to the mental and physical condition of such aliens.

INSTRUCTIONS FOR FILLING ALIEN MANIFESTS

Separate sheets should be prepared for each port at which passengers embark.

Column 2. *Head tax status.*—Steamship lines should make no entries in this column. The space is for use of Government officials only.

Column 4. *Age.*—The answer in this column should be expressed in years or months; the latter applying only to those under 1 year of age.

Column 5. *Sex.*—The entry should be either M (male) or F (female).

Column 6. *Married or single.*—The answer should be M (married), S (single), Wd (widowed), or D (divorced).

Column 7. *Calling or occupation.*—The entry should describe as accurately as possible the occupation, trade, or calling of each alien above 14 years of age, if any. If employed, it should not be sufficient to return such entries as "laborer," "clerk," "manufacturer," "agent," "engineer," "farmer," "gentleman," "lady," "housekeeper," "housework," "at home," "none," or "servant," but the specific character of the labor performed should be stated, as "laborer, coal miner," "laborer, shoemaker," "manufacturer, cotton goods," "manufacturer, woolen goods," "manufacturer, silk goods," "manufacturer, linen goods," "manufacturer, iron," "manufacturer, steel," "engineer, mechanical," "engineer, civil," "engineer, mining," "farmer," "clerk in store," "bookkeeper," "stenographer," "cook," "waiter," "servant," "gentleman's valet," "nurse girl," "lady's maid," "footman," "butler," "coachman," "groom," "porter," "valet," etc., and the capacity in which employed, as "laborer," "helper," "servant," etc., and the nature of the business, as "cotton mill," "woolen mill," "silk mill," "linen mill," "iron mill," "steel mill," "coal mine," "shoe factory," "farm," or other definite description.

A distinction should be made between farmers and farm laborers, regardless of the amount of money possessed by them.

A "farmer" is one who operates a farm, either for himself or for others.

A "farm laborer" is one who works on a farm for the man who operates it.

Persons having no occupation should be returned as such, as the purposes for which aliens are coming to the United States frequently can be ascertained by the entry in this column.

Column 8. *Nationality.*—The nationality of each alien should be recorded in this column. Persons born in the German Empire should be returned as natives of the country in which they were born, as Alsace-Lorraine, Bavaria, Prussia, Saxony, etc., and not as natives of Germany.

Column 9. *Race or people.*—The race or people of each alien should be returned on this column. The races or peoples of immigrants from Europe are returned as follows:

Every alien should be stated to be of the race or people to which he belongs, as Bohemian, Bulgarian, Croatian, Dalmatian, English, Finnish, French, German, Greek, Hebrew, Irish, Italian (North), Italian (South), Lithuanian, Magyar, Pole, Portuguese, Roumanian, Ruthenian (Russniak), Russian, Scandinavian, Scotch, Servian, Slovak, Slovenian, Spanish, Spanish-American, Syrian, Turkish, Welsh, West Indian, or other race or people, as the case may be. Persons belonging to the Hebrew race should not be returned as natives of Russia, Germany, or any other country, but as Hebrews.

The following are the races or peoples to which immigrants belong:

CUBAN

The term "Cuban" includes the native inhabitants of the Island of Cuba.

WEST INDIAN

The term "West Indian" refers to the people of the West Indies (other than Cubans or Negroes).

MEXICAN

The term "Mexican" refers to the people of Mexico.

SOUTH AMERICAN

The term "South American" refers to the people of the South American States.

SPANISH AMERICAN

The term "Spanish American" refers to the people of Central and South America of Spanish descent.

AFRICAN (NEGRO)

The term "African (Negro)" includes the African Negroes who have emigrated from Cuba or other islands of the West Indies, North or South America, Europe, or Africa. Any person with admixture of blood of the African Negro should be classified under this heading.

ITALIAN (NORTH)

The people who are native to the basin of the River Po in northern Italy, i. e., the compartments of Piedmont, Lombardy, Venetia, and Emilia, and their descendants, whether residing in Piedmont, Switzerland, Austria-Hungary, or any other countries, should be classed as "Italian (north)." Most of these people speak a Gallic dialect of the Italian language.

ITALIAN (SOUTH)

The people who are native to that portion of Italy south of the basin of the River Po, i. e., compartments of Liguria, Tuscany, the Marches, Umbria, Rome, the Abruzzi, and Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia and their descendants should be classed as "Italian (south)."

Column 10. *Last permanent residence.*—Actual or intended residence, and not visit, should constitute permanent residence. The last country in which alien resided with the intention of remaining more than a year or more should be the last permanent residence regardless of length of actual residence abroad. The question is explained. It should show the country and city or town of last permanent residence. It is immaterial for statistical purposes that aliens have sometimes or usually spent a portion of their continental residence in a country of temporary residence, country of birth, nationality, or race.

Country of last permanent residence of aliens who are permanent residents of the United States and are returning to a country should also be recorded "United States."

Column 11. *Name and complete address of nearest relative or friend in country from which alien came.*—The entry should show the name and address of the nearest relative. It is not useful relatives in general, as cousins and friends. It should be the nearest relative. It is useful relatives in general, as cousins and friends. It should be the nearest relative.

Column 12. *Final destination.*—The answer should be stated by the intended destination of the alien. An intended destination of less than one year's continuous residence is not a final destination. The place should be stated as near as possible to the intended future permanent residence. If within the United States, it should be the State and city or town. If outside the United States, the country.

Column 13. *Whether having a ticket to such final destination.*—The answer should be either Yes, ticket or No, no ticket.

Column 14. *By whom was passage paid.*—The entry should show definitely by whom passage was paid, as self, friends, relatives, labor leaders, or other persons. Should state fully circumstances, etc.

Column 15. *Whether in possession of $50, and if less how much.*—The answer should give in each case the exact sum of money, not merely "Yes" or "No." Money brought by the head of a family or other person for the use of the family should be returned under the name or initials of the head of the family.

Column 16. *Whether ever before in the United States, and if so, when and where.*—The entries should show whether yes or no. If yes, the year or period of years and place, as "1903, Philadelphia."

Column 17. *Whether going to join relatives or friends, and if so, what relatives or friends.*—The answers should show whether going to join relatives or friend, and if so, what relatives or friend, with name and complete address.

AFFIDAVIT OF THE MASTER OR COMMANDING OFFICER, OR FIRST OR SECOND OFFICER

I, Jhon Commanding Master (State whether Master, First, or Second Officer), of the [illegible], from [illegible], do solemnly, sincerely, and truly swear that I have caused the surgeon of said vessel sailing therewith, or the surgeon employed by the owners thereof, to make a physical and mental examination of each and all of the aliens named in the foregoing Lists or Manifest Sheets, 26 in number, and that from the report of said surgeon and from my own investigation, I believe that no one of said aliens is of any of the classes excluded from admission into the United States by section three of the Immigration Act, and that also, according to the best of my knowledge and belief, the information in said Lists or Manifests concerning each of said aliens named therein is correct and true in every respect.

INSTRUCTIONS FOR FILLING ALIEN MANIFESTS

Separate sheets should be prepared for each port at which passengers embark.

Column 2 (*Head-tax status*).—Steamship lines should make no entries in this column. The space is for use of Government officials only.

Column 4 (*Age*).—The answer in this column should be expressed in years or months, the latter applying only to those under 1 year of age.

Column 5 (*Sex*).—The entry should be either M (male) or F (female).

Column 6 (*Married or single*).—The answer should be M (married), S (single), Wd (widowed), or D (divorced).

Column 7 (*Calling or occupation*).—The entry should describe as accurately as possible the occupation, trade, or profession of each alien arrival, as, for example: Civil engineer, stationary engineer, locomotive engineer, mining engineer, brass polisher, steel polisher, iron molder, wood turner, etc., and not simply as engineer, polisher, molder, turner, or other indefinite designations.

A distinction should be made between farmers and farm laborers, regardless of the amount of money shown, as follows:

A farmer is one who operates a farm, either for himself or for others.

A farm laborer is one who works on a farm for the man who operates it.

Steamship companies should make this distinction on the manifests, and corrections should be made, if necessary, by inspectors and registry clerks during the personal examination of alien arrivals.

Column 8 (*Able to read and write*).—This column is subdivided and contains the following question: "Read what language (or, if exemption is claimed, upon what ground)?" In answering this question the nationality or dialect the alien is able to read should be stated. If alien is unable to read and claims exemption from the reading requirement, the ground for such exemption should be given.

Column 9 (*Nationality*).—Question 9 should be construed to mean the country of which alien is a citizen or subject.

Column 10 (*Race or people*).—See list of races printed on back of this sheet. The entry should show the race or people as given in said list.

Special attention should be paid to the distinction between race and the country of which citizen or subject, country of last permanent residence, and country of birth, and manifests should be carefully scanned by inspectors and registry clerks in this regard. For instance, "France" appearing under the head of country does not mean "French" by race or people, and, similarly, "French" appearing under the head of race or people does not mean "France" by country. An Irish, German, or Hebrew alien by race or people, properly, come under the heading of England, Switzerland, or any other country. In this connection the following distinctions should be especially observed:

CUBAN.

The term "Cuban" refers to the Cuban people (not Negroes).

WEST INDIAN.

"West Indian" refers to the people of the West Indies other than either Cubans or Negroes.

SPANISH AMERICAN.

"Spanish American" refers to the people of Central and South America of Spanish descent.

AFRICAN (BLACK).

"African (black)" refers to the African Negro, whether coming from Cuba or other islands of the West Indies, North or South America, Europe, or Africa. Any alien with admixture of blood of the African Negro should be classified under this heading.

ITALIAN (NORTH).

The people who are native to the basin of the River Po in northern Italy (i. e., compartments of Piedmont, Lombardy, Venetia, and Emelia) and their descendants, whether residing in Italy, Switzerland, Austria-Hungary, or any other country, should be classed as "Italian (north)." Most of these people speak a Gallic dialect of the Italian language.

ITALIAN (SOUTH).

The people who are native to that portion of Italy south of the basin of the River Po (i. e., compartments of Liguria, Tuscany, the Marches, Umbria, Rome, the Abruzzi and Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia) and their descendants should be classed as "Italian (south)."

Column 11 (*Last permanent residence*).—Actual or an intended residence of one year shall constitute permanent residence. The last country in which alien resided with the intention of remaining one year or more shall be the last permanent residence regardless of length of actual residence thereon. The entries in column 11 should show the country and city or town of last permanent residence. It is important for statistical purposes that steamship companies accurately show country of last permanent residence independent of country of temporary residence, country of birth, nationality, or race.

Country of last permanent residence of aliens who are permanent residents of the United States and are returning from a visit abroad should be recorded "United States."

Column 12 (*Name and complete address of nearest relative or friend in country whence alien came*).—The entry should give name and address of such relative. If no such relative living, give name and address of friend.

Column 13 (*Final destination*).—The answer to this question shall show the intended future permanent residence. An intended residence of one year shall constitute permanent residence. The entry should show definitely the place (city or town) of intended future permanent residence, if within the United States country, if outside the United States.

Column 14 (*Whether having a ticket to such final destination*).—The answer should be either Yes (ticket) or No (no ticket).

Column 16 (*By whom was passage paid*).—The entry should show definitely by whom passage was paid, as self, husband, father, brother, or other relative, friend, steamship company, etc.

Column 17 (*Whether in possession of $50, and if less how much?*).—The answer should give in each case (individual or family) the exact amount of money shown. Money brought by the head of a family should not be divided among the several members of the family.

Column 18 (*Whether ever before in the United States; and if so, when and where*).—The entries should show whether or not (Yes or No) in the United States before, and if so, the year (or period of years) and place, as, 1894, 1897, Philadelphia.

Column 19 (*Whether going to join relative or friend; and if so, what relative or friend*).—The answer should show whether going to join either a relative or friend, and if so, what relative or friend, with name and complete address.

Columns 20 to 23.—These questions are self-explanatory and the answers, like all others on the sheet are subject to revision by inspection officers in the examination of aliens. However, in answering question 26, if alien has been deported within one year and the Secretary of Labor has authorized him to reapply for admission, the authority for such reapplication should be given.

AFFIDAVIT OF SURGEON

I, [illegible], Surgeon of the THEMISTOCLES, (state whether Surgeon "sailing therewith" or "employed by owners thereof" as the case may be), do solemnly, sincerely, and truly [illegible] that I have had 26 years' experience as a Physician and Surgeon, and that I am entitled to practice as such by and under the authority of OF THE GREEK GOVERNMENT, and that I have made a personal examination of each of the aliens named herein, and that the foregoing Lists or Manifest Sheets, 30 in number, according to the best of my knowledge and belief, are full, correct, and true in all particulars, relative to the mental and physical condition of such aliens.

NOTE.—If a surgeon sails with the vessel, this affidavit of verification shall be executed before an immigration officer at port of arrival, and any changes that may have occurred en route in the condition of any of the aliens must be noted on the manifest before the affidavit is executed.

If no surgeon sails with the vessel, the affidavit of verification shall be executed at the port of departure before some officer authorized to administer oaths.

LIST OF RACES OR PEOPLES

INSTRUCTIONS FOR FILLING ALIEN MANIFESTS

Separate sheets should be prepared for each port at which passengers embark.

Column 2 (*Head-tax status*).—Steamship lines should make no entries in this column. The space is for use of Government officials only.

Column 4 (*Age*).—The answer in this column should be expressed in years or months, the latter applying only to those under 1 year of age.

Column 5 (*Sex*).—The entry should be either M (male) or F (female).

Column 6 (*Married or single*).—The answer should be M (married), S (single), Wd (widowed), or D (divorced).

Column 7 (*Calling or occupation*).—The entry should describe as accurately as possible the occupation, trade, or profession of each alien arrival, as, for example: Civil engineer, stationary engineer, locomotive engineer, mining engineer, brass polisher, steel polisher, iron molder, wood turner, etc., and not simply as engineer, polisher, molder, turner, or other indefinite designations.

A distinction should be made between farmers and farm laborers, regardless of the amount of money shown, as follows:

A farmer is one who operates a farm, either for himself or for others.

A farm laborer is one who works on a farm for the man who operates it.

Steamship companies should make this distinction on the manifests, and corrections should be made, if necessary, by inspectors and registry clerks during the personal examination of alien arrivals.

Column 8 (*Able to read and write*).—This column is subdivided and contains the following question: "Read what language [or, if exemption is claimed, upon what ground]." In answering this question the language or dialect the alien is able to read should be stated. If alien is unable to read and claims exemption from the reading requirement, the ground for such exemption should be given.

Column 9 (*Nationality*).—Question 9 should be construed to mean the country of which alien is a citizen or subject.

Column 10 (*Race or people*).—See list of races printed on back of this sheet. The entry should show the race or people as given in said list.

Special attention should be paid to the distinction between race and the country of which citizen or subject, country of last permanent residence, and country of birth, and manifests should be carefully revised by inspectors and registry clerks in this regard. For instance, "France" appearing under the head of country does not mean "French" by race or people, and, similarly, "French" appearing under the head of race or people does not mean "France" by country. An Irish, German, or Hebrew alien by race might properly come under the heading of England, Switzerland, or any other country. In this connection the following distinctions should be especially observed:

CUBAN.

The term "Cuban" refers to the Cuban people (not Negroes).

WEST INDIAN.

"West Indian" refers to the people of the West Indies other than either Cubans or Negroes.

SPANISH AMERICAN.

"Spanish American" refers to the people of Central and South America of Spanish descent.

AFRICAN (BLACK).

"African (black)" refers to the African Negro, whether coming from Cuba or other islands of the West Indies, North or South America, Europe, or Africa. Any alien with admixture of blood of the African Negro should be classified under this heading.

ITALIAN (NORTH).

The people who are native to the basin of the River Po in northern Italy (i. e., compartments of Piedmont, Lombardy, Venetia, and Emelia) and their descendants, whether residing in Italy, Switzerland, Austria-Hungary, or any other country, should be classed as "Italian (north)." Most of these people speak a Gallic dialect of the Italian language.

ITALIAN (SOUTH).

The people who are native to that portion of Italy south of the basin of the River Po (i. e., compartments of Liguria, Tuscany, the Marches, Umbria, Rome, the Abruzzi and Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia) and their descendants should be classed as "Italian (south)."

Column 11 (*Last permanent residence*).—Actual or an intended residence of one year shall constitute permanent residence. The last country in which alien resided with the intention of remaining one year or more shall be the last permanent residence regardless of length of actual residence therein. The entries in column 11 should show the country and city or town of last permanent residence. It is important for statistical purposes that steamship companies accurately show country of last permanent residence independent of country of temporary residence, country of birth, nationality, or race.

Country of last permanent residence of aliens who are permanent residents of the United States and are returning from a visit abroad should be recorded "United States."

Column 12 (*Name and complete address of nearest relative or friend in country whence alien came*).—The entry should give name and address of such relative. If no such relative living, give name and address of friend.

Column 13 (*Final destination*).—The answer to this question shall show the intended future permanent residence. An intended residence of one year shall constitute permanent residence. The entry should show definitely the place (city or town) of intended future permanent residence, if within the United States; country, if outside the United States.

Column 15 (*Whether having a ticket to such final destination*).—The answer should be either Yes (ticket) or No (no ticket).

Column 16 (*By whom was passage paid*).—The entry should show definitely by whom passage was paid, as self, husband, father, brother, or other relative, friend, steamship company, etc.

Column 17 (*Whether in possession of $50, and if less, how much*).—The answer should give in each case (individual or family) the exact amount of money shown. Money brought by the head of a family should not be divided among the several members of the family.

Column 18 (*Whether ever before in the United States; and if so, when and where*).—The entries should show whether or not (Yes or No) in the United States before; and if so, the year (or period of years), and place, as, 1894–1897, Philadelphia.

Column 19 (*Whether going to join relative or friend; and if so, what relative or friend*).—The answer should show whether going to join either a relative or friend, and if so, what relative or friend, with name and complete address.

Columns 20 to 33.—These questions are self-explanatory and the answers, like all others on the sheet, are subject to revision by inspection officers in the examination of aliens. However, in answering question 26, if alien has been deported within one year and the Secretary of Labor has authorized him to reapply for admission, the authority for such reapplication should be given.

INSTRUCTIONS FOR FILLING ALIEN MANIFESTS

Separate sheets should be prepared for each port at which passengers embark.

Column 2. *Head tax (yes or no).*—Steamship lines should make no entries in this column. The entry is for use of Government officials only.

Column 4. *Age.*—The answer in this column should be expressed in years or months, the latter if under 1 year of age.

Column 5. *Sex.*—The entries should be either M. (male) or F. (female).

Column 6. *Married or single.*—The answer should be M. (married), S. (single), W. (widowed), or D. (divorced).

Column 7. *Calling or occupation.*—The entry should show what trade, profession, or occupation each alien has followed during the past year or since childhood, as laborer, engineer, mason, carpenter, brass polisher, stenographer, servant, clerk, tailor, or other specific calling. A general term should be made between farmers and laborers. A farmer is one who operates a farm, either for himself or for another. A laborer is one who works on a farm for the owner or operator. Persons who have been engaged in various occupations during the past year should report the one followed for the longest period. Persons having no occupation, as housewives and children, should be returned as "none."

Column 8. *Can read.*—This column is to be used to show whether the alien can or can not read any language or dialect.

Column 9. *Can write.*—This column is to be used to show whether the alien can or can not write any language or dialect.

Column 10. *Can both read and write.*—This column is to be used to show whether the alien can or can not both read and write any language or dialect.

Column 11. *Name and final destination (state).*—The answer to this question should show the intended future permanent residence. A mere intention to acquire residence should not be stated as such. The entry should show the name of the State or Territory of intended future permanent residence, if within the United States, or the name of the country for which the alien is destined if he intends to reside permanently elsewhere than in the United States.

Column 12. *If going to join a relative, name and address.*—The answer should be either Yes or No. If the answer is "Yes," the name and address of the relative should be given, whether he resides in the United States or elsewhere.

Column 13. *Whether ever before in the United States, and if so, when and where.*—The entries should show whether the alien has been in the United States before, and if so, the year (or period of years) and place of such former visit. Thus: "Yes, 1907, New York City"; "No"; "Yes, 1903–1909, Philadelphia."

Column 14. *Whether going to join a friend, and if so, what relative or friend.*—The answer should show whether the alien is going to join a relative or friend, and if so, what relative or friend, with name and complete address.

Columns 15–23.—These columns are for explanatory and the answers, like all others on the sheet, are required by law to be given before the examination of aliens. However, in answering these questions, if the information sought has been obtained verbatim and year and the Secretary of Labor has authorized him thereto, the last question in each case should be given.

ITALIAN (NORTH).

The people who are native to the basin of the River Po in northern Italy (i. e., compartments of Piedmont, Lombardy, Venetia, and Emilia and their descendants, whether residing in [illegible] Italy, Austria-Hungary, France, Switzerland, or elsewhere).

CUBAN.

The term "Cuban" refers to the native people and descendants of the Island of Cuba.

WEST INDIAN.

The term "West Indian" refers to the people of the West Indies other than either Cubans or Negroes.

INSTRUCTIONS FOR FILLING ALIEN MANIFESTS

Separate sheets should be prepared for each port at which passengers embark.

Column 2. *Head tax status.*—Steamship lines should make no entries in this column. The space is for use of Government officials only.

Column 4. *Age.*—The answer in this column should be expressed in years or months, the latter applying only to those under 1 year of age.

Column 5. *Sex.*—The entry should be either M (male) or F (female).

Column 6. *Married or single.*—The answer should be M (married), S (single), W d (widower or widow), or D (divorced).

Column 7. *Calling or occupation.*—The entry should describe as accurately as possible the occupation, trade, or profession of the alien arriving, as for example, Coal or gas passer, stationary engineer, bricklayer, carpenter, cook, dressmaker, engineer, brass polisher, steel puddler, steel roller, wood carver, etc., and not merely laborer, engineer, maker, farmer, or other indefinite designation.

A distinction should be made between farmers and farm laborers, regardless of the amount of money possessed.

A person who operates a farm, either for himself or for others.

A person who owns a farm, whether he operates it or not.

A person employed on a farm for the asserted purpose of operating it.

A person employed on a farm for the purpose of performing the usual labor incident to operating a farm.

Persons who are known to be general laborers, even though they may have been employed on farms, should not be described as farmers, farm laborers, or farm servants.

Column 8. *Can read or cannot read.*—This column is understood to mean the ability of the alien to read or not read some language or dialect.

Column 9. *Can write or not write.*—Questions 8 and 9 should be construed to mean the ability of the alien to write and read the language or dialect of his native country.

Column 10. *Height.*—Give height in feet and inches (not printed on back of this sheet). The entry should show the height of persons as follows: 5 ft. 2 in., 6 ft., etc.

Special inquiry should be made in the case of persons who have been deported at any time previously, or who are returning after having resided in foreign countries for periods of one year or more, and the results of such inquiry should be recorded in this column. Persons coming to this country for the purpose of engaging in any unlawful occupation or with any unlawful object should be reported to the Department of Labor for special inquiry at the port of arrival. In answering this question, "Professional" should be used to designate only persons coming to practice one of the three professions commonly known as the learned professions, namely, divinity, law, and medicine. Persons coming to follow any other profession should be described by the name of the profession, as actor, architect, artist, author, chemist, dancer, electrician, engineer, lecturer, musician, scientific expert, sculptor, surgeon, teacher, etc. Persons coming to accept positions as private secretaries should be reported as such, and not merely as secretaries. Persons coming to engage in any mercantile occupation should be reported as merchants, and persons coming to accept employment in any capacity should be reported as laborers, even though they may be designated as managers, superintendents, foremen, etc. Persons having no occupation, such as women and children, should be reported as having none.

Column 11. *Nationality.*—The nationality of aliens should be determined by the country in which they were born. Nationality and race are frequently confused. The following list of countries and peoples is given for the purpose of showing the correct method of describing the nationality of aliens:

[illegible]

The term "Celtic" refers to the Celtic race, and includes the following:

[illegible]

"West Indian" refers to natives of the West Indies, and includes natives of the following countries:

[illegible]

"Spanish American" refers to the people of Central and South America, and includes the following:

[illegible]

"African, black." refers to the African Negro, whether born in Africa, the United States, the West Indies, South or South America, Europe, or Africa. All aliens with admixture of blood of the African Negro should be classified under this heading.

ITALIAN (NORTH)

The people who are native to the basin of the River Po in northern Italy, i. e., compartments of Piedmont, Liguria, Venetia, and Lombardy, and their descendants, whether residing in Italy, Switzerland, Austria-Hungary, or any other country, should be classed as "Italian (north)."

Column 12. *Last permanent residence.*—Actual or an intended residence of one year shall constitute permanent residence. The last country in which aliens resided with the intention of remaining one year, constituted residence. The last permanent residence is addressed by the actual residence thereto. The entries in column 12 should show the country and city or town of last permanent residence. It is important for statistical purposes that steamship companies accurately show country of last permanent residence (not country of temporary residence, country of birth, nationality, or race).

Country of last permanent residence of aliens who are permanent residents of the United States and [illegible] [illegible] [illegible]

NOTE.—If a surgeon sails with the vessel the official list must be signed by the surgeon in charge of the hospital, if there is one on board. If there is no hospital, the list must be signed by the surgeon who has had the most experience in the examination of aliens.

If no surgeon sails with the vessel it will be the duty of the master to sign the list and have it sworn to before the United States consular officer at the port of departure.

LIST OF RACES OR PEOPLES

"Race or people" is to be determined by the country of last permanent residence, unless otherwise specified. The country to which such people belong is that which determines their nationality, as a rule, but sometimes race and country are identical. Where the two differ, race or people determines the character of immigration, while country to which they belong determines the quota. Where the country to which they belong has a separate quota, they are to be charged to that quota unless they can show by birth or citizenship that they belong to another country. The following classes will be used:

African (black)	Greek	Roumanian
Armenian	Hebrew	Russian
Bohemian	Hungarian	Ruthenian (Russniak)
Bosnian	Irish	Scandinavian (Norwegian, Danish, and Swedish)

LIST OF RACES OR PEOPLES

"Race or people" is to be determined by each alien himself, and the language or dialect he speaks. The immigrant inspector has no right to question the correctness of the declaration, but the matter ought to be carefully enough considered to avoid obviously wrong returns, such as the reporting of persons of the Hebrew race as Germans or Russians, or of Scotch as English, merely because they speak the English language.

IMPORTANT NOTICE TO MASTER.

The attention of masters of vessels is called to the requirements of the Immigration Act of February 5, 1917, and to the following extracts therefrom and from Subdivision 3, Rule 10, Immigration Rules, 1917.

EXTRACT FROM ACT OF CONGRESS OF FEBRUARY 5, 1917

SEC. 36. That upon the arrival of any vessel at a port of the United States, the master, or person in charge thereof, shall, at the time of the entry, report and deliver to the immigrant inspector at the port of arrival, a list or manifest of all aliens who have been taken on board at any port or place in a foreign country or in transit through the United States to Canada, Mexico, Cuba, or adjacent islands, whether destined to the United States or not, and of all aliens who have been taken on board at any port or place in the United States for any foreign port or place, and of all aliens who have been taken on board at any port or place in the United States destined to a port or place in the United States, but who are entitled, under the provisions of section 3 of this Act, to depart from the United States without having submitted to the immigration test applicable to them at the port of arrival, and of all aliens who have been taken on board at any port or place in the United States destined to Canada, Mexico, Cuba, or adjacent islands, but who are entitled, under the provisions of section 3 of this Act, to depart from the United States without having submitted to the immigration test applicable to them at the port of departure, which list or manifest shall be prepared in such manner, and contain such information, as the Secretary of Labor shall by regulation prescribe, and the master, or person in charge, shall sign a declaration at the foot thereof that it contains a correct list or manifest of all aliens specified in this section who have been taken on board the vessel at any port or place mentioned therein, and that he has caused the surgeon of the vessel to examine each of such aliens before the departure of the vessel from such port or place, and has delivered to each alien a certificate of such examination, and that he will deliver such certificates to the immigrant inspector at the port of arrival. Such list or manifest shall be prepared in quadruplicate, and the master, or person in charge, shall deliver the original and duplicate thereof to the immigrant inspector at the port of arrival, and shall retain the triplicate and quadruplicate for production to the boarding officer at the first port in the United States at which the vessel may arrive, and for delivery to the collector of customs at that port. Any master, or person in charge, of any vessel who refuses or neglects to deliver such list or manifest, or to make such declaration, or to deliver such certificates, or to produce such triplicate and quadruplicate lists or manifests, or to deliver the duplicate thereof to the boarding officer, shall be guilty of a misdemeanor, and shall be punished by a fine not exceeding $1,000 for each such offense. The Secretary of Labor may, in his discretion, refuse to permit the unloading of the vessel pending the determination of any question as to the right of any alien to land, and in the event such alien is excluded, the cost of his detention shall be a lien against the vessel, and shall be paid before clearance is granted the vessel by the collector of customs. Any alien who shall willfully refuse or fail to appear before, or answer any question asked by, the immigrant inspector at the port of arrival, or at any subsequent hearing before a special inquiry officer, shall be deported in the manner provided by section 19 of this Act, unless he shall prove to the satisfaction of the Secretary of Labor that such refusal or failure was excusable or was due to physical impossibility.

EXTRACT FROM SUBDIVISION 3, RULE 10.

SEC. 3. Whenever [illegible] shall be manifested on the list or manifest of the vessel on which they arrive in accordance with the terms of section [illegible] of the immigration act of February 5, 1917, and the master or commanding officer of such vessel shall be subject to the penalties prescribed in that section in the case of each alien not so manifested.

(b) Clearance shall not be granted any vessel upon which a list or manifest of aliens has been required by said section or by these rules to be prepared, or upon which any person required by said section or by these rules to be inspected has been found, until the master or commanding officer of such vessel has delivered to the boarding officer the list or manifest required by said section and by these rules, and has made oath to the correctness thereof in the manner prescribed in Rule 28 (subd. 2) has been made.
